INSTRUCTIONS

Authors are recommended to have oral presentation slides and posters in English. There are no specific format instructions for the presentations. Authors may want to add the conference logo:

<u>Oral presentation</u>

Authors of oral presentations should remember to bring their presentation in Power Point format. Remember that your will have 15 min for your presentation, and that 5 min questions will be allowed after your talk.

<u>Poster</u>

Authors of poster presentation should remember that they are responsible to bring their own poster to the conference. Remember that the size of the poster is DIN A0 vertical. The posters will be hung during all the conference. During your assigned poster session, it is recommended to be in front of your poster to answer questions or comments.
